“As two *Endicott alumni*, we knew that Misselwood was the place for us to get married as it held sentimental value. What we didn't know when we booked was just how incredible the staff who would make our day possible would be. Our wedding coordinator went above and beyond to ensure our day went smoothly and our vision came to life. They were professional, prompt, organized, and most importantly personable and easy to work with. We are so thankful for the Misselwood team. There is truly no better venue for a wedding day!

“Not only is Misselwood the most gorgeous venue on the North Shore, they make everything so seamless from Day one all the way through your wedding day. Everything was taken care of from the moment we arrived on our wedding day through till the last song. They are *above and beyond professional*, attentive to detail and kind. I couldn't have imagined a more seamless day thanks to the team at Misselwood!
